

Baby Signs®

Parent Workshop

Welcome

HOW TO TALK WITH YOUR BABY BEFORE YOUR BABY CAN TALK

This **one-time**, approximately **2-hour instructional event** is designed to introduce parents (and parents to be), grandparents, and caregivers who would like to communicate with the baby in their life before they can talk, to the Baby Signs® Program of infant communication. It is geared for adults looking to teach signs to **babies aged 0 to 2 ½ years** or **toddlers who have communication delays**.

You will be taught everything you need to know to get started with the Baby Signs® Program

You will learn:

- The history and solid research foundation upon which the Baby Signs® Program is based;
- The benefits for you and your baby;
- When to begin signing with your baby;
- Strategies to begin teaching your children to communicate with signs at home;
- Looking out for signs of progress; and
- What to expect as your baby transitions from signs to speech

Participants will receive the Baby Signs® Parent Kit which includes:

- The Baby Signs® Parent Guide – a fun, travel-guide-themed introduction to the Baby Signs® Program. Includes an illustrated glossary of 100 signs, delightful songs and nursery rhymes for signing at home, and more.
- Welcome to the Baby Signs® Program DVD – includes an introduction and Video Dictionary with real-life demonstrations of the 100 signs that are most useful to babies.
- My Baby Signs® Sampler DVD – teaches babies two favorite signs: Drink and Bath and introduces parents to the My Baby Signs® DVD series.

- Signs at a Glance Flipper – features 86 signs in a unique flip-card reference with magnetic backing for easy display on a refrigerator or other metal surface.
- My Baby Signs® Bookmarks – highlight simple signs for use with favorite books for babies: Goodnight Moon, Brown Bear, Itsy Bitsy Spider, Five Little Monkeys, Corduroy's Party and Babies.

Workshop Fee

Individual/Couple Attendance: RM350 per couple (includes 1 Baby Signs® Parent Kit) and 1 Magic bag courtesy of SpeechHelp Therapy and Resources (while stocks last)
