

# An update in Practical Swallowing Management For Adults By

**Cecilia Santiago, Speech Pathologist**

BSc (Hons.), Edinburgh. Post Graduate Qualification in Dysphagia, Sheffield.  
Member of MASH, RCSLT

## AN INTERACTIVE WORKSHOP SEMINAR

**25th September 2010**

Saturday

9.30a.m.-1.00p.m.

At

The SpeechHelp Clinic

20, Jalan Bukit 11/2

46200 Petaling Jaya

Selangor.

Tel/Fax : 03-7954 2288

www.speechhelp.com

RM100 per person

Brunch, material and warm support from speaker provided.

Certificate of attendance provided.

Come and update ourselves on:

- A quick overview of anatomy and muscle function
- Doing a clinical swallowing assessment and interpreting results of this
- Update and apply swallowing treatment techniques and principles i.e targeted exercises vs texture modifications vs compensatory strategies
- Case management discussion

Cecilia Santiago worked as a speech and language therapist within the National Health Service of the United Kingdom from 1998 to 2006.

She specialised in working with adults with speech, language, voice and swallowing disorders, and has acquired an intimate knowledge of the best speech and language therapy practises employed in the U.K. She is well-versed with working in a wide variety of therapeutic settings including hospital stroke rehabilitation units, medical and surgical wards, specialist university-based speech and language therapy centres, Parkinson's Disease specialist clinics, community based domiciliary services as well as patients' homes.

### I AM STILL EXCITED ABOUT LEARNING!
